Education100  Reading Assignment

For Friday:

✓ Read chapter 1 to page 15 where it says “How Teachers Are Prepared Today.”

Use Focus Questions 1-3 on page 2 to help guide your reading. Notice particularly the bold lettered vocabulary words on the pages.

✓ Read the two handouts from Teachers Have It Easy.

Be prepared to discuss the advantages and disadvantages you see with becoming a teacher. Make a list to help you remember when you come to class. Use the readings in the book and from the handouts to help you identify these pros and cons and explain why you believe them to be true.
